Design #1
"A Delicious Doggy Diet" 狗狗的食物

Teacher: Fish Heieh
Kids: 羅樂倫, 曾祐意, 何惠慈

What should our doggy friends eat and not eat? While we may think some things are delicious, they can easily upset our furry friends' tummies. This includes chocolate, grapes, and onions.
狗狗可以吃什麼, 不可以吃什麼呢?
我們覺得好吃的東西也許會讓狗狗中毒或拉肚子, 比如說巧克力, 葡萄和洋蔥。

Design #2
"Friendly Encounters of the Canine Kind"
和陌生狗狗的邂逅

Teacher: Carol Lin
Kids: 曾巳凱, 高麗如, 賴美軒

Coming across a dog we might not know, we should approach slowly because we might frighten our new friends. A smile, slow movement, having small treats or toys with the OK from the owner, are some ideas. The doggy friend pictured is actually a Bulldog not a cat!
遇見陌生狗狗時, 我們要溫柔有耐心。因為他們容易受到驚嚇。一個微笑, 輕緩的動。如果對方主人允許, 也可以給牠們玩具和零食(圖畫裡小朋友畫的是鬥牛犬不是貓!)

Design #3
"Happy Dog Party = Happy Owner" 快樂狗派對 = 快樂狗主人

Teacher: Beryl Chang
Kids: 張凌薇, 黃蒞菘, 曾好婕

How will our furry friends be happy? Plenty of walks, exercise, games, healthy diet, regular checkups, and love are ways to ensure happiness. Pictured here is a party thrown for our friends that just came out of the doggy salon! Celebrated with music and a healthy treat! 如果讓狗狗開心呢?
常常陪牠散步, 做運動, 玩遊戲, 健康的飲食, 很多很多的愛都可以讓牠們很開心。
圖片裡是一個剛從狗狗沙龍做好頭髮出來參加派對的狗狗, 主人為牠們準備了音樂和好多健康的食物
